Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI MANOJ SINHA)

(a) to (c): No work has been sanctioned for setting up of business centres at Railway stations in the State of Tamil Nadu. Hence, the question of allocation of funds and setting of time frame thereof does not arise. However, ten stations in the State of Tamil Nadu are identified for development of Multi Functional Complexes (MFCs) for providing rail user facilities such as shopping, food stalls and restaurants, book stalls, medicine & variety stores, budget hotels, underground parking etc
